

Press Release

Ecolotec Expands Management Team

Thursday, September 07, 2006, Ecolotec, LLC, Huntsville, AL has announced the appointment of Mr. Gary Gilliam of Nashville, TN as Executive Vice President and General Manager.

Mr. Gilliam, former owner of MDS Corporation, a medical waste hauling and processing company located in Murfreesboro, TN, will assume the main management role for the company.

Mr. Jim Arden of Lenoir City, TN has been appointed Vice President of Marketing. Mr. Arden has spent over twenty-eight years in the health care industry. His duties will be to continue the marketing efforts to hospitals across the US.

“Although Ecolotec is a new company, we are receiving a tremendous response world wide.” stated Mr. David Allen, President of Ecolotec.

Ecolotec manufactures medical waste processing equipment for hospitals. For more information contact: www.ecolotec.com.
